DEVON CARTER

Engineer - Y4

Fort Lauderdale, FL | 7 years in yachting

PROFILE

Y4 engineer with a strong ETO lean: Kaleidescape, Crestron, Starlink integrations, and full AV/IT refits are where he earns his keep. Came up through a 50m new build commissioning in Italy, so he reads drawings and chases warranty items without hand-holding. Comfortable as sole engineer on vessels under 500GT or as second supporting a chief on larger programs.
